

Professional experiences

2018	Habilitation (Internal Medicine), Medical University of Graz
2003	Board certification for Internal Medicine
since 2009	Attending Physician, Division of Gastroenterology and Hepatology, Department of Internal Medicine, Medical University of Graz, Austria, Chairman Prof. Dr. Günter J Krejs, Prof. Dr. Peter Fickert
2003 - 2009	Attending Physician at the Kastanienhof Privat Hospital, Graz, Austria
2002 - 2003	Fellow at the Kastanienhof Privat Hospital, Graz, Austria
1998 - 2002	Fellow, Department of Gastroenterology and Hepatology, University Hospital for Internal Medicine, Medical University Innsbruck, Chairman Prof. Dr. Wolfgang Vogel
1998	Clinical Research Fellow at the Department for Liver Studies at the King's College Hospital, London, UK, Chairman PhD Peter Donaldson
1997	Clinical research Fellow, Department of Gastroenterology and Hepatology, University Hospital for Internal Medicine, Medical University Innsbruck, Chairman Prof. Dr. Wolfgang Vogel

Education

1997	Promotion (Dr. med. univ.)
1991 - 1997	School of Medicine (Rigorosenstudium Medizin O201), Leopold-Franzens University Innsbruck, Austria

Top 5 Oral Presentations

- 2017 „Stuhltransplantation und Mikrobiotatherapie der Zukunft, Clostridium difficile und neue Indikationen.“ Invited lecture, ÖGGH annual meeting, June 2017, Linz, AUSTRIA
- 2017 „Stuhltransplantation: Etablierte und experimentelle Indikationen“ Invited lecture, Gastro Update November 2017, Innsbruck, AUSTRIA
- 2017 „Helicobacter pylori“ Invited lecture, Falk Gastro Forum, October 2017, Salzburg. AUSTRIA
- 2016 “The future of FMT: research and clinical practice” fecal Microbiota Transplantation Dissemination Project, July 2016; Rome, ITALY
- 2013 “Preliminary clinical results of repeated fecal microbiota transplantation in chronic active ulcerative colitis” Oral presentation, United European Gastroenterology Week (UEGW); October 2013; Berlin, GERMANY

Honors ▪ Awards

2013 best abstract presentation, United European Gastroenterology Week (UEGW); October 2013; Berlin, GERMANY

2013 MSD Award for inflammatory bowel disease

Top 5 Career Related Activities in Editorial Boards, as Reviewers and Memberships

Since 2015	Head of the infectious section of the Austrian Society for Gastroenterology and Hepatology (ÖGGH)
Since 2014	General secretary of the Austrian Neuroendocrine Tumor Society (ANETS)
Since 2013	President of the GJK- NETzwerk, Verein zur Förderung der Wissenschaft an Neuroendokrinen Tumoren
Since 2016	Reviewer for peer-reviewed scientific journals: United European Gastroenterology Journal UEG, BMC Gastroenterology, Scientific Reports
2016	Coordinator of the Working Group IV of the European FMT Working Group

Top 5 Externally funded projects (since 2012)

Co- Investigator:

2017 – ongoing	Stand-alone project: Science award of the Austrian Society of Gastroenterology and Hepatology: Study investigating if specific fecal microbiota alterations can predict a refractory disease course to standard steroid therapy in patients with active ulcerative colitis. total amount of funding: € 75.000
2015 - 2017	Industrial sponsored academic research supported by industrial partner: Seres Therapeutics Inc., Cambridge USA Fecal Microbiota Transplantation for Ulcerative Colitis total amount of funding: € 233.300
2011 – 2014	Stand-alone project, project number: 14321, anniversary funds of the Österreichische Nationalbank: Typing of <i>Klebsiella oxytoca</i> Strains in Relation to Toxin-Production and their Association with Colitis total amount of funding: € 109.600
2016- current	FWF- Programme Clinical Research: GPR55 and its lysophospholipid ligand: a potential proinflammatory and oncogenic axis in the colon (P.I.: Rudolf Schicho, Ph.D. Institute of Experimental and Clinical Pharmacology, Medical University of Graz: € 218.200)

Top (Inter)-national Collaborations (only SFB-MecBaEff relevant)

Hanno Tröger, M.D. Department of Gastroenterology, Infectiology and Rheumatology,
Charité University Hospital Berlin, Germany

W. Florian Fricke, Ph.D., Institute of Biological Chemistry Nutrition. University Hohenheim,
Stuttgart, Germany

Alexander Moschen, M.D. Department of Medicine, Division of Internal Medicine I
(Gastroenterology & Hepatology, Endocrinology and Metabolism), Medical University
Innsbruck, Austria

Gottfried Novacek, M.D. Department of Medicine, Department of Internal Medicine III,
Medical University of Vienna, Vienna, Austria
